

New Way to (Online) Pay

At Curi, we strive to make things as easy as possible for you. This includes paying your insurance premium. We're introducing an enhanced secure online experience providing automation and options. After all, there are plenty of tasks to complete each day—let's keep remembering to pay your premium off that to-do list.

Here are a few system highlights designed with your needs and convenience in mind:

- Submit electronic one-time payment options via credit card or ACH account information;
- Schedule recurring autopayments via banking information or credit card (with no processing fees);
- Request paperless billing; and
- Set up email and/or SMS text notifications for new invoice notifications, payment reminders, payment confirmation, etc.
