Ready to engage a Risk expert today? Whether you need timely advice or more comprehensive risk support, our Risk On-Call consultants are here to help. Learn more at curi.com/insurance/risk.

Curi's risk mitigation resources and guidance are offered for educational and informational purposes only. This information is not medical or legal advice, does not replace independent professional judgment, does not constitute an endorsement of any kind, should not be deemed authoritative, and does not establish a standard of care in clinical settings or in courts of law. If you need legal advice, you should consult your independent/corporate counsel. We have found that using risk mitigation efforts can reduce malpractice risk; however, we do not make any guarantees that following these risk recommendations will prevent a complaint, claim, or suit from occurring, or mitigate the outcome(s) associated with any of them.

Curi is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians. For information about the accreditation of this program, please contact Curi's CME Team at 800.662.7917 or at CMETeam@curi.com.
