

Introducing Curi's Senior Living Resource Center

The Curi Senior Living Resource Center is a comprehensive online portal, featuring various documents to assist facility administrators and clinicians in the management of risk. Updated regularly with current information on issues and trends, this resource center helps Curi clients stay in the know on what's new and evolving in the senior living landscape.

Key Benefits & Features

- Unlimited user access within a facility.
- More than 1,900 resource documents and tools, including user-friendly templates that can be quickly downloaded, customized, and implemented within a facility.
- Timely updates on key healthcare legislation.
- Easy-to-customize lists of favorite and frequently used resources, accessible via the "My Docs" page.
- Regular informational emails on important risk management topics, with direct links to corresponding resources.

Sample Resource Types

- Assessment forms and checklists
- Emergency management preparedness and response
- Informed care memorandums
- Regulatory and federal guidelines
- Sample clinical policies and procedures for skilled nursing and assisted living facilities
